

Laura for Vice-Captain

Proposer: Thomas Simpson

Seconders: Eleanor Kettle

I'm Laura and I'm a 1st year physicist. I've been kayaking since I was little and I don't intend to stop anytime soon! I know being obsessed with kayaking isn't a substitute for a personality, but I'm passionate about it and hope to encourage more people to get involved next year and enjoy it as much as I do!

Why me?

- ⇒ I'm a competent paddler having completed 3 star in canoeing, 2 star in kayaking and a FSRT course
- ⇒ I was head girl and have experience in a leadership position and taking minutes
- ⇒ I'm an assistant Scout leader and help teach scouts how to kayak/canoe
- ⇒ I'm always open to ideas and trying new things
- ⇒ I'm approachable and eager to encourage others to take part

I'm also a mean baker and will bring brownies/welsh cakes to the meetings :)

My ideas and aims

- ⇒ Increase social media advertising throughout the year and post in college Facebook pages. It's never too late to join the club!
- ⇒ Many people don't realise how much there is to do in the club, we need to highlight all the different aspects! There's something for everyone!
- ⇒ Use surveys or make a comment section on the website so it's easier to express opinions or share ideas anonymously
- ⇒ Introduce more river sessions on the Weir for people who can't make the one on Wednesday
- ⇒ I adore paddle boarding and it's very popular, so we could try investing in something new!
