Grant discussion

Equipment focused that improves club outcomes.

SUPs – these wouldn't improve club outcomes.

Canoe Polo boats – what type should we get? How many? Suggest £15-20 thousand as a grant amount for 10+ polo boats.

Other options discussed: Spraydecks, paddles, boat outfitting, cags – these were decided against as they aren't aspirational.

Further discussion on other possibilities like barrage hire – did not fit grant applications.

Discussion on what boats to buy – glass fibre boats.

Aiming to get enough boats for two teams – 14 boats.

Spent time drafting the Grant Application

Any Other Business

Brief overview of the last two weeks.

Running sessions during the exam period – losing the Monday evening session and Tuesday morning. Keeping Monday and Friday mornings, Wednesday afternoon, and one Polo session depending on leader availability. Ad-hoc sessions depending on leader availability.

No welfare updates, good luck with exams social media posts, Becky to make social chat post in the facebook group.
