Seconder: Sarah Appleby

About Us

- We are both keen kayakers and paddle a variety of disciplines including whitewater and polo which means we have the interests of different areas of the club at heart
- We already do a lot of the repairs on club kit
- We are organized and will get things done!

Ideas for the Club

The club has a lot of kit that needs sorting out which is why we think we would be suited as a pair for the role. We have lots of ideas!

- Repair latex seals on damaged cags
- Repair holey spray decks and buy new ones!
- Repair broken WW and Polo kayaks
- Repair the Kayak Ergs
- Keep boat house regularly tidy (and tell off naughty people who leave their stuff on the floor!)
- Buy more kit!

The sexy team posing with boats we have fixed this year
