ERICA FOX - MEDIA SEC

Why me?

- Started kayaking in October because I saw some super cool pictures
- **Want to share what goes in the club with other people**
- Want to help foster as welcoming of a community as I encountered for other people
- Love doing anything other than my degree (good for making posts)
- Was **Social Media Sec** for Durham Uni Mountaineering Club in 2021 and am media sec for a UK network of science researchers (**can use canva**)

Ideas for DUCC:

- **Photos of kayaking on insta !!!!!**
- Show advanced and beginners online --> encourage newbies to get involved
- Some **pinned info posts** - e.g. how to use the website / what to bring
- **Month calendars** - show people what to look forward to!

Some things I've made before!!
