Minutes of Exec Meeting (4) 1th October 2006

Chairman: Matt Corke.
Minuted by: Gen Steele.

Present: Matt, Rich, Bucko, Tom, Will, NZ Tori, Gen. (full compliment)

Approval of minutes: Yes.

Financial report.

Summary of money in and expenditure given by Will. Still some money to come through. Exec to hand receipts for fresher's week expenses to Will. Due to £5 per BUSA entrant charge being levied by DUAU membership for this year has gone up to £15. Aim for 50+ members.

Recruitment Bar Crawl.

Mon evening. Start 7.30 kingsgate. Put up posters. Probably won't get in college bars due to being freshers only. Put up advertising at a later date also.

Fresher's Fair.

Tues and wed, 10-4 at the three tuns hotel. Moving cars to prominent position night before and loading with boats and posters. Persuade people via e-mail to help out. 3 laptops being taken down and selection of paddling porn.

Trips and organisers.

Trip sign up: instead of operating impersonal online sign up have a paper sign up sheet at Tuesday socials. Good points; fair for those without internet at residence, offers chance to talk about river, encourages more people to get involved with the club socially. Bad points; confuses current system (will need to look into possibility of webmasters being able to input other peoples names onto online sign up), excludes those who genuinely can't make it to social. Decision: try new system for trial period of 3 weeks. Non attenders can phone trip organiser to register. Revue system next meeting.

Pool session.

Sat and Sun freshers sessions. 2 available. 10-12 and 2-4. First pool session can still only get normal hour and a half. Sessions to be split into 15 mins on water and 15 mins before on pool side running through the basics. To be charged at £1 per session.

Freshers social.

Was supposed to be tues 10th but clashes with freshers ball so moved to wed 11th. Confirmed with varsity.
