## Minutes of Exec Meeting - 08 February 2007

**Chairman:** Matt Corke.  
**Minuted by:** Gen Steele.

**Present:** All

**Approval of minutes:** Yes.

### 1. Finance.

At present we are in a very good position because of member numbers. We have received the entire grant pretty much already.

### 2. Meeting with PW

Why haven't we signed up to TD high performance? Cost club £100 then athlete £20 to get weights room access, nutrition guidance (don't eat too many pies!) etc. PW said we need some high performance members to get money. Probably worth it. Wants squads to have TD stash. We could suggest we get polo stash for BUSA and say we'll join high performance next year. PW gave £300 for polo before BUSA.

New polo/slalom boat. If we raise £300 he'll give us £600. We need to do fundraising. Suggestions include :-

- Tees marathon type thing equivalent.
- How far can we paddle on the Wear? Sponsored guess.
- Ask for money on AGM meal to fund.
- Raffle who'll get the furthest.

### 3. Slalom

All good, need lots of help - 39 are people racing.

8.00am start at boat house - 9 cars going

Practice runs start at 10.30am

Trip form to be done.

The friends group have a van which will be taking kit and boats.

We need £20 for bibs, £40 for Rob's boats and £1 coins for changes.

Orange Midas next on the list to suffer a close shave at the hands of Rob Holdway  
Coach never really came -heard nothing since. Pass contact details onto next years exec
